Dear Darren,

Since joining BNI some four years ago, I feel we have built up a great working relationship. Synergee now deals with all of our accounts and taxation. You and your team are always there to answer our questions and to give advice when requested.

In my opinion, Synergee is a well run professional company and I am always happy to recommend you to anyone requiring advice or any accountancy work.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'P C Waterhouse'. The signature is fluid and cursive, with a long horizontal stroke at the end.

P C Waterhouse
