Dear Darren,

Just wanted to put into words my gratitude to yourself and all of your staff at Synergee.

Following your impressive ten minute presentation, which coincided with a lapse in service from my previous accountant, I took the decision to switch my accounts to Synergee, I am so pleased I did.

The training on QuickBooks from Steve was first class, Justyna has run my payroll with extreme efficiency and the advice I have received from you has been clear, concise and easy for me to grasp. I now feel completely 'supported' in all aspects of accounts due to the speed at which my questions have been answered.

I am confident and happy with the overall 'Synergee' experience and will strongly recommend your services to my contacts.

Kind regards

A handwritten signature in blue ink, appearing to read 'NS'.
